PROFESSIONAL SUMMARY

Computer Science graduate (B.S., Ursinus College, GPA 3.8) with hands-on experience in cloud infrastructure and software development, including deploying and supporting AWS-based applications. Proficient in Python, JavaScript, and AWS services such as EC2, VPC, and Elastic Beanstalk. Brings strong problem-solving ability, troubleshooting, adaptability, and communication skills built through international teaching and collegiate athletics leadership. Seeking an entry-level role in software development, cloud/DevOps, IT support, or automation.

TECHNICAL SKILLS

- Languages: Python, JavaScript, C++, HTML, CSS
- Cloud & Infrastructure: AWS (EC2, VPC, Elastic Beanstalk), scripting, deployment pipelines
- Testing & Data: Selenium WebDriver (Python), SQL (SQLite, SQLAlchemy)
- Systems & Tools: Command Line (Bash), Git Version Control, Linux, Windows, macOS

EXPERIENCE

Science Applications International Corporation (SAIC), Washington DC–Baltimore Area — Jun 2024 – Aug 2024
Business Development Intern

- Supported a team of developers in deploying a web application to AWS Elastic Beanstalk, gaining hands-on experience with cloud deployment workflows.
- Configured and supported AWS VPC and EC2 server environments, and wrote scripts and pipelines to assist infrastructure setup.
- Collaborated with both business and software interns on multiple cross-functional projects, including a revamp of internal company websites.

Anuban NST School, Nakhon Si Thammarat, Thailand — *Foreign EFL Teacher* Oct 2025 – Mar 2026

- Taught Mathematics, Social Studies, Speaking & Listening, and Art to multilingual students in an international classroom (TEFL-certified).
- Designed interactive, multilingual lesson plans and adapted instruction on the fly to a cross-cultural, fast-changing environment.
- Managed classroom logistics and engagement independently, building strong working relationships across a diverse staff and student body.

Ursinus Basketball Camp, Collegeville, PA — *Camp Coach* Jun 2022 – Jun 2024

- Designed and ran structured skill-building drills for players across multiple age groups.
- Motivated young athletes and communicated technical concepts in an accessible, encouraging way.

EDUCATION

Ursinus College, Collegeville, PA May 2025
Bachelor of Science, Computer Science (French Minor) — GPA: 3.8, Dean's List

The John Carroll School, Bel Air, MD May 2021
High School Diploma — GPA: 3.5, Honor Roll, Varsity Basketball

LEADERSHIP & ACTIVITIES

- Varsity Men's Basketball Team, Ursinus College — Player & Captain: elected by teammates to establish and uphold team culture while balancing 30+ hours/week of athletics with academics.
- Earned the Centennial Conference Sportsmanship Team (All-Centennial) Award, the Will Furey '07 Red Jersey Leadership Award, and National Association of Basketball Coaches Honors Court recognition.
- Mentored incoming teammates on adapting to campus life and team values; returned from injury to a starting role after dedicated physical therapy.
